Nature Watch Weekend – Sandhill Cranes

January 23-24, 2015

Pre-register by January 8, 2015 (No refunds after January 22)

January 30-31, 2015

Pre-register by January 15, 2015 (No refunds after January 28)

Welcome to Nature Watch Weekend...

The Sunrise Tour will have us setting out before the sun comes up to begin our journey at the roosting site. We will watch as the sun rises and thousands of cranes take off for the nearby cornfields. We will then travel to the cornfields for a closer look.

The Sunset Tour will begin by viewing the cranes in nearby cornfields and will conclude as we watch the sun set over the lake and watch and listen as the cranes return to the roost to settle in for the night.

Notes on Tours, Fees and Lodging...

Once your payment is received, a confirmation will be sent with a more detailed schedule of activities. Tours are filled on a first-come, first served basis. Payment must be received to guarantee your spot on a tour. We do not hold spots for tours and **please be aware that spaces are limited** and tend to fill up quickly.

Field trips can take place under extreme weather conditions, including rain, snow, and gusty winds. If we feel it is necessary to cancel field trips due to unsafe circumstances, every effort will be made to reschedule your party for another trip. If this is not feasible, a refund of the tour portion of your registration will be given.

Comfort Zone

To make your trip more pleasurable and memorable, we recommend you bring the following items: Hiking boots or comfortable walking shoes, gloves, rain gear, thermal underwear, warm headgear, clothes to dress in layers, earmuffs and/or scarf, binoculars, camera, etc...

Notice - *The dates selected are based on historical records under normal weather conditions in January and past trends of the crane's arrival to this area. Please be aware that this narrow window of opportunity can vary by several days based on weather and the crane's migration schedule.*

For the benefit of all wildlife and Sandhill Crane tour participants, Barren River Lake State Resort Park practices **Leave No Trace** principles.
